One step won't take you very far—
You've got to keep on walking;
One word won't tell folks what you are—
You've got to keep on talking;
One inch won't make you very tall—
You've got to keep on growing;
One little "ad" won't do it all—
You've got to keep 'em going.

OBITUARY.

Respectfully Dedicated To The Memory Of The Dead.

Richard Payne, an aged citizen of Kenton county, and a relative of Mr. Henry Spears, of this city, died Monday at his residence at Fairview. The remains were brought to this city on the 11 a. m. train Wednesday and interred in the Paris cemetery. Services were held at the grave by Rev. Dr. Rutherford.

Mrs. Belle Talbott Bacon, aged about sixty-two, died yesterday morning about half-past ten o'clock, at the home of her husband, W. A. Bacon, in this city, after an illness which lasted about eighteen months. The deceased was the mother of Warren and J. W. Bacon and Misses Rene and Clara Bacon, of this city, and Otis Bacon, of Texas, and a sister of W. T. Talbott, of this city. She was a most estimable woman, and the bereaved ones have the sympathy of a large circle of friends. The funeral services will be held at the grave in the Paris cemetery to-morrow afternoon at five o'clock, by Rev. F. W. Eberhardt. The pall-bearers will be B. C. Ingels, W. H. Ingels, Ossian Edwards, N. F. Brent, Albert Hinton and John Brennan. No flowers.

A HUSBAND SAYS:

"Before my wife began using Mother's Friend she could hardly get around. I do not think she could get along without it now. She has used it for two months and it is a great help to her. She does her housework without trouble."

Mother's Friend

is an external liniment for expectant mothers to use. It gives them strength to attend to their household duties almost to the hour of confinement. It is the one and only preparation that overcomes morning sickness and nervousness. It is the only remedy that relaxes and relieves the strain. It is the only remedy that makes labor short and delivery easy. It is the only remedy that puts the breasts in condition so that swelling or rising is impossible. Don't take medicines internally. They endanger the lives of both mother and child.

Mother's Friend is sold by druggists for \$1.

Advice to Consumptives

There are three great remedies that every person with weak lungs, or with consumption itself, should understand. These remedies will cure about every case in its first stages; and many of those more advanced. It is only the most advanced that are hopeless. Even these are wonderfully relieved and life itself greatly prolonged.

What are these remedies? Fresh air, proper food and

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites. Be afraid of draughts but not of fresh air. Eat nutritious food and drink plenty of milk. Do not forget that Scott's Emulsion is the oldest, the most thoroughly tested and the highest endorsed of all remedies for weak throats, weak lungs and consumption in all its stages.

Oh, the Pain of Rheumatism!

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases.

A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried several prominent physicians and took their treatment faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow worse, the disease spread over my entire body, and from November to March I suffered agony. I tried many patent medicines, but none relieved me. Upon the advice of a friend I decided to try

S. S. S. Before allowing me to take it, however, my guardian, who was a chemist, analyzed the remedy, and pronounced it free of potash or mercury. I felt so much better after taking two bottles, that I continued the remedy, and in two months I was cured completely. The cure was permanent, for I have never since had a touch of Rheumatism though many times exposed to damp and cold weather.

SWIFT'S SPECIFIC, Philadelphia.
Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can not reach your trouble. Don't experiment with doctors—their potash and mercury will add to your disability and completely destroy your digestion.

S. S. S. For the Blood
will cure perfectly and permanently. It is guaranteed purely vegetable, and contains no potash, mercury, or other mineral. Books mailed free by Swift Specific Co., Atlanta, Ga.
